

Younger Children's (K-4th Grade) Activity Sheet

This activity can be used on its own, or as a part of a larger reflection about peacemaking throughout the day found in the Younger Children's Lesson Plan.

Invite each child to cut out each circle (At All Times and In All Ways). On the *In All Ways* circle, ask the child to think about ways they can be peacemakers at different times of the day. Invite them to write or draw their ideas in each section of the day.

When they are finished, help the children secure a brad (poking a hole in the middle of each circle) to connect the circles together so that the At All Times clock is on top and the In All Ways circle is on the bottom.
